## MVC ANNOUNCES LARGEST ENROLLMENT IN HISTORY

*441 freshmen to be welcomed at Convocation on Sept. 7.*

Marshall, Mo. (September 5, 2007)—Missouri Valley College's 119<sup>th</sup> academic year is one for the history books. MVC officials have announced the largest enrollment in the College's history with 1,429 students. The Fall 2007 enrollment edges out the Fall 2003 enrollment of 1,425.

MVC's new student population includes 441 freshmen and 126 transfer students. The freshman class is made up of students from 26 states and 19 countries.

President Bonnie Humphrey is pleased with MVC's record-setting number.

"I am thrilled to see this growth at Missouri Valley," Humphrey said. "We truly believe that Missouri Valley College is the best place to get an education and is an institution that can impact a student's life."

Humphrey attributes several factors to MVC's growth.

"In addition to our integrated marketing plan, we have an outstanding faculty and staff, and a huge support system of alumni and friends that help make Missouri Valley thrive," Humphrey said. "Our academic programs, our outstanding athletic and theatre programs, our diverse student body, our student organizations, and the ability for our students to be involved are what sets Missouri Valley apart."

"Strength in Excellence" is the theme for 2007 Convocation week, which is September 4-7. Convocation will take place at 10 a.m. on Friday, September 7 in the Burns Athletic Complex.
