## MVC ANNOUNCES ITS LARGEST-EVER GIFT

*Giver hopes to make student center a reality for MVC.*

Marshall, Mo. (July 31, 2007)—Missouri Valley College has received its largest gift from an individual in the history of the College, President Bonnie Humphrey announced today. The giver, William W. Malcolm, Jr., is excited about the progress of his alma mater and hopes that his \$1 million gift will make a student center a reality for MVC.

President Humphrey said the administration has been exploring the possibility of adding a student center on the MVC campus for the last three years.

“The addition of a student center would be a tremendous benefit to our campus,” Humphrey said. “Mr. Malcolm’s gift is a huge stepping stone toward making that a reality in the near future. We have very preliminary drawings to use as a baseline as we develop a strategy to build this much needed facility for our students.”

Malcolm, who graduated from MVC in 1942, and his wife, Geneva, are long time supporters of Missouri Valley College.

“The generous gift of Mr. and Mrs. Malcolm shows their dedication to Missouri Valley College,” Humphrey said. “A student center will make a huge positive impact on our campus.”

Malcolm is a retired captain for Pan American Airways. He and Geneva now reside in Florida. Malcolm was pilot instructor for the Royal Canadian Air Force, and served in the U.S. military as a fighter pilot in World War II.
