**MVC TO OFFER ONLINE COURSES THIS FALL**

*Enrollment going on now through August 31.*

Marshall, MO. (August 18, 2009) – Missouri Valley College is offering six online courses this fall, which are available to current and new students.

The classes include: computer application; introduction to teaching; foundations of American history II; humanities I and II; and environmental science.

MVC Registrar Marsha Lashley is excited to offer online courses to students.

“Online classes are great for students who have significant time commitments, but want to get quality education,” Lashley said. “Because online courses are not for everyone, one should complete the survey at <http://www.moval.edu/moodle/survey/index.asp> to determine readiness.

Missouri Valley uses the Moodle program, which is a program students can access from the MVC website, making access to these classes available for anyone.

According to Lashley, online classes will also be available during the spring semester, inter-sessions and summer terms. The deadline to sign up for Fall 2009 online courses is August 31.

The course fee for online classes is \$50 per credit hour. New students should contact the admissions office at (660) 831-4114 or [admissions@moval.edu](mailto:admissions@moval.edu). Current students should contact the registrar’s office at (660) 831-4115 or [lashleym@moval.edu](mailto:lashleym@moval.edu).

**ABOUT MISSOURI VALLEY COLLEGE**

Missouri Valley College is a liberal arts college that provides educational, social and cultural experiences in a decidedly Christian environment. Established in 1889, MVC offers over 30 majors and 7 pre-professional programs, and 14 sports. The most popular majors include education and business, and the newest majors are nursing, graphic design, dance, and hospitality/tourism management, which will begin in Fall 2009. The liberal arts heritage focuses on scholarship, critical thinking and academic excellence to prepare students to become members of a responsible citizenry.
