## **MVC ATHLETIC TRAINING STUDENTS COMPETE IN STATE QUIZ BOWL**

**Marshall, Mo. (March 22, 2010)**—The Missouri Valley College Athletic Training Student Organization (ATSO) sent a team to compete in the Missouri Athletic Trainers' Association (MoATA) quiz bowl held at William Woods University.

The MVC team consisted of Seniors Josh Lammert and Amber Doughty and Junior Jennifer Asberry. The top two teams would represent Missouri at the NATA District 5 quiz bowl with the winner competing in the national quiz bowl in Philadelphia, Pa. this summer.

“The National Athletic Trainers' Association started a national quiz bowl last year and this was the first time MoATA organized a quiz bowl to qualify teams,” ATSO President Josh Lammert said. “When we were informed about this opportunity we fielded a team to compete.”

MVC tied for fifth place, which did not qualify the team for the district quiz bowl.

“The result is not as important as participating and starting a tradition,” ATSO Treasurer Amber Doughty said. “This year we wanted to qualify for the district quiz bowl, but hopefully next year's team can.”

### **About Missouri Valley College**

Missouri Valley College is a liberal arts college that provides educational, social and cultural experiences in a decidedly Christian environment. Established in 1889, MVC offers 30 majors and 7 pre-professional programs, and 15 sports and 25 varsity teams. The most popular majors include business and education, and the newest majors are nursing, graphic design, and hospitality and tourism management. The liberal arts heritage focuses on scholarship, critical thinking and academic excellence to prepare students to become members of a responsible citizenry.
