MVC BOARD OF TRUSTEES NAMES VP OF BUSINESS AND FINANCE

Marshall, Mo. (March 3, 2010)—Missouri Valley College Board of Trustees President Gary Ford has announced Amy Roe will serve as MVC’s vice president of business and finance. Roe will oversee all aspects of the MVC business office, financial aid office, print shop, accounting, human resources, food services, and Barnes and Noble Bookstore.

“Amy has proven to be a great leader in her three years at Missouri Valley,” Ford said. “She has done an excellent job with the management of College’s finances, and the board has complete confidence in her ability to take the lead in that effort.”

As vice president of business and finance, Roe will supervise 10 employees and manage contracts with the college’s vendors.

With a bachelor’s degree in psychology from University of Nebraska at Kearney and a bachelor’s degree in public accounting from Wayne State College, Roe also is a certified and licensed public accountant. She is a member of the American Association of CPA’s, Missouri Society of CPA’s, NACUBO and the National Association of Professional Women.

Roe is thrilled to be a part of MVC’s administrative cabinet.

“It is a very exciting time at Missouri Valley College,” Roe said. “The College is experiencing exponential growth, and I am appreciative to have been given the opportunity to be a part of it. I enjoy working with such a great team.”

A Nebraska native, Roe began her MVC tenure in June 2007 when she began as chief financial officer. Prior to coming to MVC, Roe managed a branch office for a public accounting firm in Nebraska.

Roe and her husband, Monty, MVC football assistant head coach, have three children: Elissa, 6; Carlie, 4; and Payden, 18 months.
