

HEADLINE: STATE OF SALINE COUNTY REPORT MARCH 15 AT MVC

Ron Ott, Marshall Lions Club president, and Dr. Bonnie Humphrey, Missouri Valley College president, announced that the Lions Club of Marshall will host the Second Annual State of Saline County Report March 15 on the Missouri Valley College campus.

According to Ott, the goal is to provide leaders and citizens with a clear assessment of Saline County's progress, problems, and potential.

In addition to the activities listed below, Senator Stouffer has invited representatives from Onshore Technologies who will share information concerning fiber optics, job creations, and economic growth as part of a program entitled "Cultivating Rural Missouri."

Who: *Panel with knowledgeable county/city leaders: public is invited*

What: *State of Saline County—current status and where we are going. Activities include poster exhibits, free hors d' oeuvres, and a panel discussion.*

Where: *Missouri Valley College's Eckilson Mabee Theatre*

When: *March 15, 2006
5 p.m. until 8 p.m.*

Why: *Saline County's people and potential prosperity as seen through the eyes of a variety of capable leaders can lead to solutions and growth.*
