**WITHDRAWAL**

The last day to withdrawal from a course will be a date set annually on the academic calendar. For full semesters a grade of “W” is given through the sixth (6<sup>th</sup>) week of the semester. After six weeks, the grade will be recorded as “WP” if the student has a grade of “D” or better at the time of withdrawal, or “WF” if the student is making a grade below “D.” Grades of “WF” are computed as “F” in the computation of all grade point averages. Beginning the 12<sup>th</sup> week of classes withdrawals are not permitted, other than by administrative approval.
