

Missouri Valley College License Plates

Missouri Valley alumni, parents, fans and friends who are residents of Missouri are eligible to apply.

How to obtain a MVC license plate:

1. Contact the Alumni Office at (660) 831-4177 or whitej@moval.edu to submit a \$25 fee.

2. We'll send you a form approving your use of the MVC logo, along with easy instructions for obtaining your license plates.

* When ordering personalized Collegiate License Plates, you can choose between a combination of up to six letters, spaces, numbers, and a hyphen, or four digits ranging from 8000 to 9999. Be prepared to have several acceptable choices.

3. When the Missouri Division of Motor Vehicles and Drivers Licensing notifies you that your MVC plates are ready, take your current plates to your local license office and exchange them for your MVC personalized plates.
