SIXTH ANNUAL MIE
The Sixth Annual Maastricht Institute of Entrepreneurship was held March 26-28. The Institute received positive feedback from both students and speakers. This year’s speakers hailed from as close as Hannibal, Mo. to as far away as Maastricht, the Netherlands. Hundreds of students took advantage of the opportunity to learn from successful business professionals.

Left: President Humphrey and Dr. Wesley pose with this year’s friendship tree. Each year MVC plants a tree on campus during the Institute. The trees serve as living memorials to the friendship between the College and the city of Maastricht.
