

## A MESSAGE TO PARENTS ABOUT THE SNOW VALLEY BASKETBALL SCHOOL

The Snow Valley philosophy is to provide individual skill development through repetition. Daily game competition against boys of your son's age and ability level will be scheduled. A personal Player Profile Report Card will be kept on your son throughout the week and given to him. This Report Card will note particular strengths and weaknesses, and offer suggestions for individual improvement once your son has left Snow Valley. A variety of clinics featuring individual and team fundamentals will be presented during the week long session, with drills being a part of each clinic. Snow Valley Basketball School is designed to have a ratio of **eight players to each coach**. We guarantee an excellent week of ***Basketball Involvement***.
