2009-2010 MISSOURI VALLEY COLLEGE ATEP OLYMPICS DRAFT RESULTS

December 8, 2009

Today, the first step in preparation for the 2009-2010 MVC ATEP Olympics took place with the drafting of the sophomore Athletic Training Students. This crucial first step occurred with some light-hearted discussions amongst the captains and coaches about the abilities of the opposing teams and predictions for the spring event. Your captains for the 2009-2010 MVC ATEP Olympics are Amber Doughty (Amburgler) for the orange team and Josh Lammert (Jasper) for the purple team.

“We told the purple team they could take the first 5 picks and we would beat them with the people they didn’t want,” explained orange team coach Matt Rowlett. “We can avenge last year’s fluke loss with anybody. We just wanted to give the purple team the least amount of possible excuses for losing.”

Per MVC ATEP Olympics rules and regulations, the actual draft order is not made public; only the results. The new orange team members are: Sheena Carter, Dana Fricker, Janie Jungermann, Ashley Thomas, and Alex Thompson. The new purple team members are: Leslie Grothoff, Jami Mayberry, Kaylee Peery, Lauren Struxness, and Andre Taylor. Additionally, Jennifer Taylor will replace the departed Carrie Harmon as the second purple team coach.

When asked about their draft results purple team captain Josh Lammert said, “You could tell the orange team is scared of us. Their major players all graduated last year and they had a weak draft.” Lammert also explained that the tactics the orange team used in the draft room didn’t affect their mindset. Purple team coach Jennifer McConnell added, “The orange team is so predictable. The draft happened exactly the way we thought it would. If we can predict their moves during the draft, then beating them during the competition will be too easy. We would have more competition with a purple team scrimmage than playing the orange team.”

“I don’t see how we won’t win this year,” orange team captain Amber Doughty said after the draft. “We addressed our needs. Also the massive coaching turnover with purple team will hurt them this spring.”
