Notice of Student Disclosure of Personal Information:

The philosophy of Missouri Valley College Master of Arts in Community Counseling is that competent counselors demonstrate a high level of self awareness and self-knowledge. The American Psychological Association Ethical Principles require that students be made aware that they may be asked, either orally or in writing, to discuss personal information, including family history, personal development, and relationships with parents, peers, spouses, or significant others at some point during the completion of the program.

I have read and understand the Notice of Student Disclosure of Personal Information:

Applicant Signature _____
