

ART & ARCHITECTURE

WHERE IN THE WORLD DO I START LOOKING??

The following is an introductory guide to some of the library's general and specific sources of information in art and architecture. More sources of information can be found on Murrell Library's Web page at www.moval.edu/library1 including Online Resources, eBooks, Full Text Journals, and MVC's online catalog (Quest).

You can search for eBooks and books at MVC using Quest, or search for books at other Missouri academic libraries. Quest can be accessed via any computer that has Internet access.

NOTE: The library's art books are housed in the Main Library's Coffee/Study Room. Reference art books, labeled "REF", are shelved in the general reference collection on the second floor. Circulating art books are shelved in the first floor Art/Study room. Reference librarians are available if you need help in using the sources listed or finding other material.

PERIODICAL GUIDES & ONLINE RESOURCES (electronic databases)

Periodicals exist in many forms: their original paper form, bound materials, on microfiche, on microfilm, or in an online resource.

The printed art and architecture related periodicals are housed in the Periodical Room located on the second floor of the Main Library. Microfiche and Microfilm are found in the Multimedia Room. Online Resources can be accessed via the library's web page.

Begin your search for a journal or magazine article by looking in the periodical indexes or in the Online Resource databases. Check the List of Full Text Articles or the Quest online catalog on the library's webpage for the exact location of the periodicals needed.
