

EDUCATION

WHERE IN THE WORLD DO I START LOOKING??

Education materials are housed in the Teacher Education Library.

This is an introductory guide to reference information in Education. Additional information can be researched via Murrell Library's web page at <http://www.moval.edu/library1> where you will find several online resources and MVC's online catalog Quest. You can search for eBooks and books at MVC using Quest, or search for books at other Missouri academic libraries. Quest can be accessed via any computer that has Internet access. The library search guides entitled "Juvenile Literature", "Literary Sources", and "Psychology" may also be helpful.

Curriculum materials and the Juvenile Collection are housed in a special area of the Teacher Education Library.

For those who wish to pursue an advanced degree, the last page of this guide is devoted to career information.
