AWARDS

Show Me Readers Award

The Show Me Reader Award is selected by students in grades one through three and presented annually. Nominations of titles of literary merit for the stated grade range to be considered for the award are invited. The Show Me Readers Award is a children's choice award sponsored by the Missouri Association of School Librarians.

PURPOSE: The Show Me Readers Award is to promote literature, literacy, and reading in Missouri elementary schools for grades one through three, and to promote recognition of authors and illustrators of books that are favorites of Missouri children in these grades.
