Established in 1995, this scholarship is awarded to a graduate of Marshall High School. Selection for the recipient will be based on grade point average, class rank, extracurricular and community involvement, and leadership experience. A preference may be given to a student who demonstrates financial need. The award is renewable assuming the recipient maintains a minimum 2.5 GPA with a full-time course load. An application must be submitted annually for renewal.

This scholarship is available to current and incoming students. Only one scholarship is awarded annually. This scholarship CANNOT be combined with any other institutional awards. Recipients will be repackaged with the Lockridge-Patterson award instead of any other MVC scholarships (including athletic).

Please include with your initial application a reference letter from your high school principal or counselor. If you are submitting an application for renewal, this is not necessary.
