If necessary, **attach a separate sheet** to expand on any of the above questions. In many cases a very detailed response to these questions will create separation between applicants and give an advantage to the applicant with very detailed answers to the application questions.

## **REMINDER**

**Please include with your initial application a reference letter from your high school principal or counselor. If you are submitting an application for renewal, this is not necessary.**

I understand that this scholarship is considered a financial aid resource, and, when combined with other financial aid resources, it may affect the amount(s) of other financial aid resources. I understand that, if awarded, this full tuition award may replace any previous MVC institutional award I have been offered, including any athletic scholarship. My signature confirms that the information provided on this application is true to the best of my knowledge.

All decisions from the scholarship committee are final.
