--------------	---

All core coursework must be completed prior to admission into the program unless prior approval has been granted by nursing faculty. This approval granted on an individual basis.

**** All science courses will be evaluated on an individual basis for the transfer of credit.**

€ = core course * = nursing prerequisite WI = writing intensive

SL = service learning

Students must obtain a B in all nursing prerequisite and nursing courses.

The Missouri State Board of Nursing approved the nursing curriculum, June 2016.
