

LPN-BSN Online Track

at Missouri Valley College School of Nursing

Nursing at MVC

Missouri Valley College's Bachelor of Science in Nursing (BSN) program prepares nurses through education and clinical experience to provide safe, evidence-based, and compassionate care to complex patients in diverse settings. Some of the clinical experiences include local community hospitals, tertiary care centers and other community health centers/agencies.

Degree in Nursing

The MVC nursing program, leading to BSN, requires students to complete two years of prerequisite and core courses, and two years of nursing course and clinical experiences. The LPN to BSN online student applications are due by October 1st. Students applying to the program are evaluated on their Missouri LPN active unencumbered license, TEAS, GPA's and letters of reference. Fourteen candidates are selected yearly to enter the LPN to BSN online track.

The MVC nursing program adheres to standards and guidelines set forth by the Missouri State Board of Nursing (MSBoN) and the Commission on Collegiate Nursing Education (CCNE). The MVC nursing program has conditional approval from the MSBoN and is accredited by CCNE.

Missouri Valley College

LPN to BSN Online Curriculum

LPN Program Transfer Credits

NU105 Intro to Nursing 1
Social & Behavioral Science Core #1 - PY100 Prin Psychology 3
BI275 Human A&P I or BI285 Human A&P II 4
