## Why a degree in Dance from Missouri Valley?

Our program focuses on giving you the knowledge you need to hone your technical and creative skills through safe dance practices. We do this through opportunities to work with faculty and guest artists. Our small classes sizes mean you have ample opportunities to perform, choreograph and design for productions. Our dance students are featured in three major productions throughout the year, including a crowd favorite, the annual Christmas show. The Fine Art Department offers scholarships to help offset the cost of tuition. We encourage you to audition in person, however, if you are unable to we can arrange a digital audition.
