

NURSING PROGRAM APPROXIMATE COSTS INCLUDING LAB (2020-2021)

These are estimated costs and are subject to change based on product availability and costs. These costs don't include courses outside of nursing, tuition, textbooks, laptop computer (cannot be a Chrome Book or Net Book and must have a camera and microphone), or fees assigned by MVC. Nursing faculty have input into the budget.

Start:

- Program Fee \$600.00: a one-time fee paid after acceptance into the program. Used to purchase two sets of scrubs with embroidered emblem, polo top and scrub bottom for community setting, two years of SNA dues, items for pinning ceremony, and other incidentals.
- Purchase of laptop computer that has a camera and microphone at the student's expense.
- Student malpractice insurance about \$40.00 year x two years: Cost paid by student.
- A Drug Screen (7 panel). Estimated cost \$30-\$50 paid by student.
- TB screening approximate \$10.00 to \$15.00 each x two years, but may vary per institution. Cost incurred by the student.
- Background check: CertifiedBackground.com. Cost of about \$65.00. This cost is incurred by the student. Need credit card to complete this transaction.
- Family Care registry (State Background Check) Cost about \$14.00. This cost is incurred by the student. (Approximate Total: \$840.00 + cost of laptop with a camera and microphone)
