

## **Operation ID - Personal Property Inventory**

Operation Identification is a nationally recognized loss prevention program which is utilized by law enforcement agencies across the country. Missouri Valley College has initiated the use of this program to help deter theft of personal property on-campus. Students are encouraged to participate by completing two simple steps: 1) Complete the inventory below of all relevant personal property. This can be done at home or when arriving on-campus. Turn in the inventory to the Department of Public Safety to be kept on-file; 2) When on-campus, sign-out an engraving device from the Department of Public Safety to mark all personal property. \*Please understand that Missouri Valley College assumes no liability for any personal property.
