

NURSING PROGRAM APPROXIMATE COSTS INCLUDING LAB (2023-2024)

These are estimated costs and are subject to change based on product availability and unforeseen price increases. These costs don't include courses outside of nursing, tuition, textbooks, laptop computer (cannot be a ChromeBook or NetBook and must have a camera and microphone), or fees assigned by MVC. Nursing faculty have input into the budget.

Start:

- Program Fee \$700.00: a one-time fee paid after acceptance into the program. Used to purchase two scrubs tops with embroidered emblem, two years of SNA dues, NCLEX preparation/review course products, items for pinning ceremony, Sim Lab Fees, Proctoring Fee, and other incidentals.
- Purchase of a laptop computer that has a camera and microphone at the student's expense.
- Student malpractice insurance about \$40.00 year x two years: Cost paid by student.
- CPR - American Heart Association - BLS for Healthcare Providers or American Red Cross BLS for Healthcare Providers. Cost paid by student
- TB screening approximate \$10.00 to \$15.00 each x two years, but may vary per institution. Cost incurred by the student.
- Background check: Castle Branch Cost of about \$130.00. This cost is incurred by the student. Need credit card to complete this transaction. - background check, immunizations, drug screen (7 panel).
- Family Care Safety Registry (State Background Check) Cost about \$15.00. This cost is incurred by the student.

(Approximate Nursing Program Cost: **\$900.00** + cost of laptop with a camera and microphone)
