

MISSOURI VALLEY
COLLEGE
VALLEY LAB SCHOOL

Parent Handbook

Mission Statement:

Missouri Valley College will work to improve the quality of life and opportunity for education in the Missouri Valley College Community by:

- Promoting and providing the Marshall Community with quality childcare for children ages 6 weeks to 6 years.
- Enabling the parents of children to pursue higher education by providing quality, convenient childcare.
- Provide service learning, experiential learning opportunities, practicum and internship opportunities for multiple academic fields at Missouri Valley College, including but not limited to Education, Nonprofit Management, Fine Arts, Nursing, Accounting and Exercise Science.

Registration Information:

At registration, the family will pay a non-refundable \$35.00 registration fee per child. This fee is due at the time of registration and used to hold your child's place in our program. This fee is also used to offset the cost of consumable supplies.

Hours: 7:00am-5:30pm **No Supervision before 7:00 a.m.**

Cost: The price is the same whether enrolled for a full or half day.

Payment:

Fees are paid in advance and due on the last day of each month. Payment is required regardless of illness or absenteeism. This is consistent with all infant/toddler and Pre-Kindergarten classrooms. Payment is figured on days signed up for, not days attended. If the school is closed, payment for the day is expected. Payment will be taken in person at the Business Office, by phone at 831-4107, or by mail to 500 E College if there was an issue paying via EFT. If payment is delinquent for more than a month's time, the student(s) could lose their spot in the program. All accounts overdue and/or delinquent may be turned over to collection purposes. If this should occur, attorney fees will be added to the bill. In order to keep accurate records, please have your child's days of attendance selected at registration. The days will not change unless agreed upon by the parents and the center.

Electronic Funds Transfer is required beginning August 2019.

Admission Policy: We accept children 6 weeks to 6 years of age. Please complete all forms received in the registration packet. We will also need a copy of your child's immunization records. All forms will need to be returned to the center prior to your child's first day of attendance. Also, it is important that these forms be kept up to date. Please inform us immediately if there is any change in address, telephone number, emergency contacts, or medical information. Children entering either preschool classroom must be potty trained before the first day of attendance.

Dismissal Policy:

After attempts have been made to meet a child's individual needs, any child who demonstrates an inability to benefit from the care offered by the child care provider or whose presence is detrimental to other children may be discharged from the facility. Care of a child may be discontinued if the provider and the parent(s) cannot establish a mutually satisfactory working relationship. Families must give a minimum of two weeks' notice when removing a child from care. Children with continuous behavior issues can be dismissed from the program.

Holidays:

Please see the moval.edu website for all days the program will not be in session.

Openings Available:

Monday thru Friday

Items Provided by Parents:

Each child must have a change of clothing that includes pants, shirts, socks and underwear left at school, to be used for emergencies. Children should wear washable clothing in which they are comfortable. Please write their names in all apparel.

For children in the Toddler or Preschool rooms enrolled for the full day, a one piece sleeping mat is required. We have provided Nap Mat links on the moval.edu website for your convenience or you may choose to purchase them wherever you would prefer.

Food Policy:

Children in the Toddler and Preschool classes will be provided breakfast, lunch and an afternoon snack. Lunches will include an entrée, vegetable, fruit, and milk. Families with children in the Infant class will need to provide their own baby food, formula, etc. as needed until they are ready for table food. At that time table food will be provided.

Biting Policy:

If biting occurs, all efforts will be made to prevent further incidents. A child with one or more incidents of biting could be placed on a behavior plan. If the child continues to hurt others, they will be dismissed at the discretion of the program.

Illness Policy:

We are unable to accept any child who is sick or is showing signs of illness. Any staff person may observe a child exhibiting any of the following symptoms per State Health

Communicable Disease Guidelines before being accepted into the classroom. If any of the symptoms are noticed throughout the day, a family member will be contacted.

Fever: Any temperature above normal or accompanied by other symptoms such as committing diarrhea or vomiting, behavioral change or undiagnosed rash.

Respiratory Symptoms: Wheezing that occurs suddenly and unexplained. Congestion that is severe.

Vomiting: If child vomits and has any other symptoms such as fever or behavioral change, abdominal pain, or diarrhea.

Diarrhea: Loose, watery stool, it is not food related (child ate too much corn or drank too much apple juice), if it is accompanied by symptoms such as fever, abdominal pain, or vomiting.

Impetigo: If infected sores or lesions are oozing and/or crusting. It is contagious and must be treated for twenty-four hours before child may return.

Lice: If lice or nits are found in a child's hair. The child may return after they have been treated and are free of lice and nits.

Scabies: If a child has red, itchy areas in finger webbing, on the wrist, or under the armpit and says it also itches at night.

Measles: If a child has a rash accompanied by flu symptoms.

Pinworm or Ringworm: If a child is itching in the rectal area, especially at night (pinworm). If the child has a raised, itchy spot resembling a hoop (ringworm).

Congestion and/or Excessive Coughing: Excessive mucus from ears, eyes, nose, or mouth. If the child's mucus is green in color.

Rash: If the cause of the rash is unknown.

Chicken Pox: If a child has skin eruptions that are not yet scabbed over and without fever, please let us know immediately if your child comes down with chicken pox so that we may inform other parents to watch their children for symptoms.

Conjunctivitis (Pink Eye): If the eye is red and swollen and has drainage or oozing.

Behavior: If your child wants to sleep most of the time, does not eat, cries and generally acts miserable, your child may be coming down with something. Please check your child for these symptoms: fever, rash, swollen glands, vomiting, or stomach ache sometimes accompanies a sore throat or possible strep throat.

We have a 24 hour rule. The child must be free of the above symptoms for 24 hours without medication before returning to school. Physician's recommendation and written authorization are required for the return of the child who has been diagnosed with a communicable disease.

Immunizations and Allergies

The child's health/immunization record must be signed by a physician and returned to the office before starting preschool. A copy of your child's record must be kept on file.

Any allergies should be noted on the Medical Examination Report included in your registration packet.

Pick-Up and Drop-Off Procedures:

Parents are expected to bring their child into the building to the classroom and see that he/she is under supervision of his/her teacher before leaving the premises.

Sign-in/sign-out is required daily.

If anyone other than the parent is picking up the child, our office and the teacher must be notified in writing. We cannot allow children to go with anyone without specific written instructions and identification. Photo ID may be requested.

Outside Play Policy:

All children will have the opportunity to play outside in the play yard daily except in inclement weather. Please see that your child is dressed appropriately and has a coat, hat and gloves when needed. Flip-flops or backless shoes are a tripping hazard and are not to be worn to school.

Parent Communication:

Newsletters will be sent home on a regular basis. They will contain up-coming events and special activity information. Please read them and keep for referral. These are also available by email. If you would like to have them sent via email, please give your email address to your child's teacher.

We have an Open Door policy, which allows you, as parents, to enter the classroom anytime without prior notification. If you would like a conference, please set up a time by contacting your child's teacher.

Discipline:

Every child is expected to abide by the rules of the school, respect staff members, other students and all property. If a child violates the standard, he/she will be asked to stop or change the behavior. If the child does not respond and the problem persists we will remove the child from the group and he/she must sit on a chair for a minute for every year they are old. Severe cases of disruption can result in removal from the infant/toddler or preschool program. *Love & Logic* is the overall approach Missouri Valley College Early Childhood Center uses in regard to discipline.

Please return the following signature page with your child's registration forms.

Thank you.
