### Testing

- Upon arrival to campus and the Malcolm Center for Student Life, you will be tested for COVID-19.
- Students who test positive will either be placed into quarantine housing or asked to return home with their family until they are cleared. Students who test positive will be required to begin the semester online.

### COMMUNITY HEALTH [MASK UP. BACK UP. WASH UP. CHECK UP]

- **Masks/face coverings are required** of everyone on campus when not in the privacy of their office or, in the case of the students, in their personal living quarters. Masks **must** be worn when in hallways, bathrooms, classrooms and visiting other offices. MVC will provide two masks to each student (but you are encouraged to also bring your own).
- The best way to prevent the spread of COVID-19 is to help keep each other safe and healthy.

### CLASSES

Students will be notified of the plan for each of their classes prior to the start of the first day of class. In general small classes will proceed in a normal, face-to-face fashion (with spacing and face masks) for all class sessions. Larger classes will be taught in a hybrid format, with students divided into groups. Each group will have face-to-face instruction in the classroom at least one day/week and remote synchronous instruction and/or asynchronous learning the remaining day(s) of the week.

### INTERNATIONAL STUDENTS

Missouri Valley College will have a block of rooms at the Super 8 by Wyndham Kansas City Airport for students to spend the night if they can not arrive during business hours. Contact Thomas Merlot at 660-831-4125 (during business hours) or 816-598-2557 (after business hours).

*As the COVID-19 situation is constantly evolving, please check the [moval.edu](http://moval.edu) website daily for the latest information.*
