

NURSING PROGRAM APPROXIMATE COSTS INCLUDING LAB (2017-2018)

These are estimated costs and are subject to change based on product availability and costs. These costs don't include courses outside of nursing, tuition, textbooks, laptop computer, or fees assigned by MVC. Nursing faculty have input into the budget.

Start:

- Program Fee \$600.00: a one-time fee paid after acceptance into the program. Used to purchase two sets of scrubs, two years of SNA dues, and payment of computerized testing package.
- Purchase of laptop computer at the student's expense.
- Student malpractice insurance about \$30.00 year x two years: Cost paid by student.
<http://www.nso.com/professional-liability-insurance/student-coverage.jsp?setting=true&ref=null&opt=null&onselectpage=Yes&option=cov>
- A Drug Screen (9 panel) will be scheduled by faculty at the Saline County Health Department prior to entering a clinical setting. Estimated cost \$30-\$50 paid by student.
- TB screening about \$10.00 to \$15.00 each. (Need to have a 2-step or a negative result for two consecutive years and one current. If you have ever had a positive TB contact us.) Cost incurred by the student and is given by Health Department. Must be read by personnel from the agency that administered the initial screening.
- Background check: CertifiedBackground.com. Cost of about \$65.00. This cost is incurred by the student. Need credit card to complete this transaction.
- Family Care registry (State Background Check) Cost about \$11.00. This cost is incurred by the student.
- Student is responsible for attending workshops, lobbying day, and for other learning experiences. (Approximate cost is \$100 per year x 2 years. This is not included in your student lab fees.)
(Approximate Total: \$1000.00 + cost of laptop)
