- Immunization records must be official documentation. This can include infant shot record book, records from a health care provider, local health department or vaccine receipt from the pharmacy.
- You can download a blank form for your doctor to fill out from MP. If you download the form it must be completed by your physician with a signature and stamp.

MED PROCTOR STEP BY STEP INSTRUCTIONS (*CONTINUED*)

-  **Step 7: Upload Your Vaccine Records**
- Take clear photos or scans of your vaccine records with your smartphone or tablet. Files can also be uploaded from your computer.
 - Click “Upload Documents” and add your files. Only 1 image can be uploaded at a time.

💡 Important: All students are required to pay \$15.00 for MPPro. This is the Elite package that gives you lifetime access to your documents, a 3 hour turnaround time, and weekly outreach.

-  **Step 8: Wait for Review**
- Med+Proctor will review your records.
 - You’ll get an email when your documents are approved or if more info is needed.

Missouri Valley College Student Health Nurses Office will be notified once your immunization records are accepted.

HELP

If at any time you have questions or problems uploading to MP, start by using the “LIVE CHAT” icon and the bottom right hand corner of the MP screen. If it is after hours, “live chat” changes to “leave a message”. The MVC Student Health Nurses office staff cannot assist you with technical issues with Med Proctor. The MVC Nurse is available for general questions regarding immunization requirements. If a Medical or religious Exemption is desired, supporting documentation is required. Reach out to the MVC campus nurse at mvccampusnurse@moval.edu for an exemption form.
