

INTERNATIONAL TRANSFER STUDENT STEPS TO BECOMING A *Viking!*

QR codes can either be scanned with a phone or be clicked directly to view the document electronically.

STEP 1

Complete The Inquiry Form

Submit the inquiry form to receive access to your student application portal.

STEP 2

Apply for Admission & Submit Required Documents

Log in to your student application portal, complete your application, and upload all required admission documents.

STEP 3

Admission, Enrollment & Form I-20

After reviewing your application, you will receive your admission decision. If admitted, you will receive your scholarship offer and instructions to complete enrollment. You will also be guided on how to submit the required financial documents for the issuance of your Form I-20.

STEP 4

F-1 Visa & Arrival Preparation

After accepting your scholarship offer and completing enrollment, you will receive instructions on how to transfer your SEVIS record to Missouri Valley University and receive your transfer Form I-20.

Important: The link and QR code in Step 4 are only for students who need an initial Form I-20 to apply for their first F-1 student visa. If you are already in the United States in F-1 status and are transferring to Missouri Valley University, do not use the Step 4 link or QR code. Our office will email you separate instructions for transferring your SEVIS record.

Once you submit the inquiry form, our International Admissions team will review your information and guide you through the next steps of the admissions process.

You can submit your admission documents in one of the following ways:

- Upload them directly to your MVU student application portal.
- Email them to dea0306@moval.edu or international@moval.edu.

If you have any questions about admissions or the application process, please contact us by email or WhatsApp (Scan or click the QR code). We are here to support you throughout your journey and look forward to welcoming you as a Viking at Missouri Valley University!
